CESAR - The Official Construction and Agricultural Equipment Security & Registration Scheme

UHF RFID Transponder

LF RFID Transponder

Ultra Destruct Visible ID Labels

Unique TE Plant Identification Plate

Datadots®

Magnified Dot

Forensic DNA

Unique Tamper Evident Identification Label

These specially designed tamper-proof labels feature many hidden security features and carry a unique plant identification alphanumeric number to deter theft and ensuring that your property can be quickly identified and returned in the event of theft.

Microscopic Datadots® with Forensic DNA

Our Datadot® identification system can be applied all over the asset and to almost any surface, making it virtually impossible to locate and remove them all. The UV fluorescent adhesive the Datadots® are suspended in also contains a totally unique forensic DNA meaning every last spec of adhesive can be used to identify an asset.

Ultra High Frequency RFID Transponder

This flexible transponder which can be placed on or off metal contains a unique code, permanently programmed into its integrated circuit, which cannot be altered or deleted. Featuring a 'long' read range it is the ultimate ultra high frequency RFID transponder in the fight against theft.

Low Frequency RFID Transponder

Roughly the size of a grain of rice it can be easily installed in seating, wiring looms and head linings. It also contains a unique code number permanently programmed which cannot be altered or deleted.

Ultra Destruct Visible ID Labels

Comprising of a unique alphanumeric code laser engraved into the surface, these labels are applied to hidden recesses on an asset and are impossible to remove in one piece without visible damage.

The Official Construction and Agricultural Equipment Security and Registration Scheme

What are you waiting for? Your equipment to be stolen!

CESAR – The Industry Standard

- Over 650,000 machines are now registered and protected with the CESAR Scheme.
- Visible and hidden identification marks - a real deterrent.
- No annual fees - invest just once in marking and registering your equipment for life.
- Rapid Police access to the CESAR Database online or via Datatag 24/7 Secure Contact Centre.
- CESAR is supported by the Home Office and the National Police Chiefs' Council.
- Find your nearest CESAR Authorised Installer at: www.cesarscheme.org/dealer.php or scan the QR code to download a list (valid as of Jan 2024).

CESAR it or lose it!
